HYPOCRITE

People say that I should be perfect • People spit the word
“hypocrite” at me • Makes me wonder “Why don’t I measure
up?” • *I know that I can’t, • So I’ll keep trying to live my life
For the glory of You, the glory of You • I know that I’m not
Even close to perfection, but • I’ll keep trying to live my life,
Live my life for You, • The glory of You • You require my life
and love • You inspire holiness • But You never expect me
to be perfect • I know that I can’t, • So I’ll keep trying to live
my life For the glory of You, the glory of You • I know that I’m
not Even close to perfection, but • I’ll keep trying to live my life,
Live my life for You, • The glory of You*

FILL IT

Lord, let Your holiness rain on me • I am thirsty • Lord, send Your holy fire down
Consume my offering • Lord, let Your Spirit fall down on me • I am empty
So do what You do • *Fill it with Your love • Fill it with Your presence • Fill it with Your
touch, oh God • Fill it with Your grace, • Show me Your face • Fill it, fill my heart, oh
God • I have those days, I feel so strained • I try so hard, nothing changes • I have
those days, I pray and pray • I try so hard but nothing changes • My prayers hit the
ceiling, • My heart is so empty • Fill it with Your love • Fill it with Your presence • Fill it
with Your touch, oh God • Fill it with Your grace, • Show me Your face • Fill it, fill my
heart, oh God • Emptiness fades • You take its place... You • Fill it with Your love
Fill it with Your presence • Fill it with Your touch, oh God • Fill it with Your grace,
Show me Your face • Fill it, fill my heart, oh God*

CAN YOU?

Emptiness reigns today • Sorrow and fear and shame • I wanna be, I wanna be close to
You, • But I feel I drift farther and farther away • *I am crying • Dying to be used by You
How can You use someone who can’t seem • To make it to You? • If I can’t get my heart
back to that place • Of passion and fire, then who? • Can You? • Prayer is the key I’ve
heard • But when thoughts bounce around and I scream out loud • Do you even hear
one word? • I am crying • Dying to be used by You • How can You use someone who
can’t seem • To make it to You? • If I can’t get my heart back to that place • Of passion
and fire, then who? • Can You? • Can You? Can You hear me? • Can You? Can You
help me? • Can You? Can You hold me, God? • I am crying • Dying to be used by You
How can You use someone who can’t seem • To make it to You? • If I can’t get my heart
back to that place • Of passion and fire, then who? • Can You?*

I RUN TO YOU

I run from hate • I run from prejudice • I run from pessimists • But I run too late • I run
my life • Or is it running me • Run from my past • I run too fast • Or too slow it seems
When lies become the truth • That’s when I run to You • *This world keeps spinning
faster • Into a new disaster so I run to You • I run to You, (Jesus) • And when it all
starts coming undone • Oh You’re the only one I run to • I run to You • We run on
fumes • Your life and mine • Like the sands of time • Slippin’ right on through • Your
love’s the only truth • That’s why I run to You • This world keeps spinning faster • Into
a new disaster so I run to You • I run to You, (Jesus) • And when it all starts coming
undone • Oh You’re the only one I run to • I run to You*

I EXIST

In Him we live • In Him we move • In Him we’re here on the earth • In Him we love
In Him we give • In Him we show the world His worth • You are my God • You are my
heart • And in You I know I exist, I exist • *I exist in You • I exist in You • I exist in You,
my God • I’m nothing without You • You’re all I am • I’m nothing without You, my
God • You are the One I depend on • No matter what You stay the same • You
loved me when I thought I was unseen • Now I know that You see me • I exist in You
I exist in You • I exist in You, my God • I live • I breathe • I move • I love • I exist in
You • I exist in You • I exist in You, my God*

LEAD ME TO THE CROSS

Savior, I come • Quiet my soul • Remember • Redemption’s hill • Where Your blood was
spilled • For my ransom • Everything I once held dear • I count it all as loss • *Lead me to
the cross • Where Your love poured out • Bring me to my knees • Lord I lay me down • Rid
me of myself • I belong to You • Oh lead me, lead me to the cross • You were as I
Tempted and tried • Human • The Word became flesh • Bore my sin and death • Now
You’re risen • Everything I once held dear • I count it all as loss • Lead me to the cross •
Where Your love poured out • Bring me to my knees • Lord I lay me down • Rid me of
myself • I belong to You • Oh lead me, lead me to the cross • To Your heart • To Your
heart • Lead me to Your heart • Lead me to Your heart*
