

Lyrics

BLINDED

The beauty that surrounds me • It opens my eyes • To see all that You are to me • And as I await for You to appear • I open my eyes and know You're here • *I'm blinded by the light of You • Your beauty shines as bright as the sun • I'm captivated by the warmth of Your touch • I'm taken in by the power of Your love, • The power of Your love • Complacency's easy when You are so good • I fall asleep • Come find me, shake me • Won't You awake me • Awake me to You.... Then I'm • I'm blinded by the light of You • Your beauty shines as bright as the sun • I'm captivated by the warmth of Your touch • I'm taken in by the power of Your love, • The power of Your love • I've been sleeping for way too long, way too long • I've been sleeping for way too long, way too long • Wake me up to You, wake me up to You, wake me up to You, wake me up to You, wake me up • I'm blinded by the light of You • Your beauty shines as bright as the sun • I'm captivated by the warmth of Your touch • I'm taken in by the power of Your love, • The power of Your love*

DEEP, DEEP LOVE

Oh the deep, deep love of Jesus • Vast, unmeasured, boundless free • Underneath me, all around me... • The current of Your love • Leading onward, leading homeward • To Your glorious rest above • *Oh the deep, deep love of Jesus • Oh the deep, deep love of Jesus • Oh the deep, deep love of Jesus • Praise the One Who died in love • How He loves, ever loves • Changes never, never changes • Oh I'll never know, never know • The fullness of Your love • Oh the deep, deep love of Jesus • Oh the deep, deep love of Jesus • It lifts me up to glory, • Up to glory, Up to glory • It lifts me up to You, • Up to You, Up to You • Oh the deep, deep love of Jesus • Oh the deep, deep love of Jesus*

KNEES TO THE EARTH

Wonderful Savior • My heart belongs to Thee • I will remember always the blood You shed for me • Wonderful Savior • My heart will know Your worth • So I will embrace You always as I walk this earth • *Be blessed, be loved, be lifted high • Be treasured here, be glorified • I owe my life to You, my Lord • Here I am • Beautiful Jesus • How may I bless Your heart? • Knees to the earth I bow down to everything You are • Beautiful Jesus • You are my only worth • So let me embrace You always as I walk this earth • Be blessed, be loved, be lifted high • Be treasured here, be glorified • I owe my life to You, my Lord • Here I am • Beautiful Jesus • How may I bless Your heart? • Knees to the earth I bow down to everything You are • Beautiful Jesus • You are my only worth • So let me embrace You always as I walk this earth • Be blessed, be loved, be lifted high • Be treasured here, be glorified • I owe my life to You, my Lord • Here I am*

YOUR EYES

I am the prodigal • I run far away • I take what I don't deserve and flee • I'm in a haunted wasteland • My soul is heavy with the pain • I wanna lose it all, lose it all *So I'll run as fast as I can • Away from who I am • I'll remember what it's like • To feel alive • I'm not wasting any time • This life's for You now • So this is life • Falling further, further in Your eyes • I am the called of God • He says "Go" • I head the other way, the other way • I'm on this sinking ship and • I might go down with it If I don't jump and trust that I'll be caught • So I'll run as fast as I can • Away from who I am • I'll remember what it's like • To feel alive • I'm not wasting any time • This life's for You now • So this is life • Falling further, further in Your eyes • Those eyes that search me • Eyes that know me • Eyes that bring me life • So I'll run as fast as I can • Away from who I am • I'll remember what it's like • To feel alive • I'm not wasting any time • This life's for You now • So this is life • Falling further, further in Your eyes*

THE MORE I SEEK YOU

The more I seek You • The more I find You • The more I find You • The more I love You • I wanna sit at Your feet • Drink from the cup in Your hand • Lay back against You and breathe • Feel Your heart beat • This love is so deep • It's more than I can stand • I melt in Your peace • It's overwhelming
